Counselors Begin Project EXPO

This year under the direction of Mr. Silva the counseling office started a new program, Project EXPO, which is Exploring Possible Occupations. In the spring of 1978 the counseling department sent out a questionnaire to the student body concerning field trips and guest speakers. The most popular choices were determined, and guest speakers were lined-up for the next year. The purpose of Project EXFO was to expose students to occupational career information.

Charlie's Aunt Big Success

The drama club's first play of the year was Mrs. Anita Roybal's first production as a drama teacher. The play's name was **Charlie's Aunt**. It was a farce done in the time of the late nineteenth century. The problem of getting costumes was solved by the actresses sewing them and by renting them from ACLOA. The set was done by a very hard working stage and set crew.

Therefore, with the combined effort from everyone in the play and from people in the audience, **Charlie's Aunt** was a big success.

National Honor Society

National Honor Society is an organization made up of almost thirty hard working seniors who have received the honor to be a part of the club. These students were chosen from a larger group of students last year. The main requirement was that they had to have and maintain a 3.5 grade point average. They were also, voted on the basis of their leadership and interest in organizations at and away from school.

Every year during the third nine weeks of school NHS sponsors UMOC (Ugliest Man on Campus). This is a money raising project for Valley's own Warren A. Smart scholarship fund. The contest was the week of February 12 to 17, and, just as for the past few years, the amount of money raised was a record breaker.

At the beginning of the fourth nine weeks of school the new members, consisting of a few seniors and mostly juniors, were initiated in to form Valley's 1979-1980 chapter of the National Honor Society.

Foreign Exchange Students

Foreign Exchange Students are Said Jafari, Ritsuko Honda, and Mathilde Matarese.

Ritsuko Honda was born in Tokyo, Japan. Her interests are cars and rock-n-roll. She likes New York and, of course, Albuquerque! Ritsuko was a junior.

Mathilde Matarese was born in St. Germain en Laye, France. She is interested in languages. Mathilde is very happy at Valley. She says, "Everyone is very nice, and I like this age group." Mathilde was a sophomore this year.

Said Jafari was born in Borojard, Iran. He plays soccer, ping-pong, and chess, and he collects stamps. Said has also taken up skateboarding since he came to America. Said likes everything about America, and especially the sports. He was also a sophomore this year.

Citizenship and

Several non-academic awards are given each year at Valley. The most prominent of these are for the areas of leadership and citizenship.

Each year the three major service academies award the West Point Leadership Award to the Valley senior who has shown leadership qualities and done well in personal testing and interviews.

Six girls and seven boys were selected by a board of former Staters to attend Boys' and Girls' State, a week long course in American government and citizenship sponsored by the American Legion and its auxiliary. These seniors worked to make it the Staters in Valley's history.

Warren A. Smart Citizenship Awards are given each year to the student in each class that exhibits outstanding qualities in citizenship and leadership. Nominations are made in homerooms and voted on by the faculty.

Class sponsors, Mr. Sord, and Ms. Shoon, helped immensely with their support, enthusiasm, and confidence. All members shared these qualities.

Last spring they decorated the gym for the Honor's assembly. In September the staters took old fashioned pictures where they raised a considerable amount of money. Their next project was a 24 hour ping pong marathon where they raised over $300. In April the staters had a city-wide staters get together which took a lot of time and work, but was worthwhile.

Viking Band Participates In

Under the direction of Tom Kelly, the marching band performed at games, held concerts, and participated in several festivals. Working hard early in the mornings before school, the band learned the techniques of marching and was able to entertain at the half-time of football games. Many hours of hard work went into each piece of music and each member had to work so that the whole group would sound good. Members also worked hard to earn money so that the band could travel in the spring to Durango, Colorado, for a music festival.

Sena Heads Girls' Roundball

The 1978-79 Girls' Basketball Team under a new coach Mr. John Sena, had a rebuilding season. This year it was much different for the girls with more running involved. Also shooting and rebounding were stressed in practice. The girls started off their season with losses in their first seven games. Because of poor scheduling the girls did not play a home game until January. Fortunately, they showed improvement which helped them in their later games. In December they played in the Los Alamos Tournament taking fourth place beating Socorro. In January they had a winning streak of four games in a row.

Record in Valley History

This year was no different for the C-team except for a new coach. Mercy Montoya, a former Valley High girls basketball player. Ms. Montoya taught her team how to win. More hussle and devotion was the key to their success. Everyday practicing after school helped a lot. Pride helped the girls win and have a remarkable season at home and away.

Class of 1979

Senior Class officers are Chris Branda, president; Frankie Baca, treasurer; Deidra Granados, vice-president; Vera Ann Romero, historian; Angela Garcia, secretary; Joanne Snowdon, student council representative.

Seniors of 1979

The Class of 1979 came prepared to be the 25th graduating class at Valley High School. Sophomore class officer elections were held in September 1976. The five officers chosen to lead the class were Deidra Granados, president; David Kozlowski, vice-president; Brenda Harris, secretary; Frankie Baca, treasurer; and Lori Tabet, student council representative. Half way through the year, however, Lori Tabet withdrew from office and was replaced by Chris Branda. The Senate chose Phil Houser to represent them in UMOC while Evette Madrid was their Spirit Sweetheart attendant.

Junior class officers were chosen in the spring of 1977. For their second year at Valley the Class of 79's officers were Vickie Diamond, president; Deidra Grandos, vice-president; Mary Sedall, secretary; Frankie Baca, treasurer; and Chris Branda, student council representative. Juniors gave the Prom in the spring of 1978. It was held at UNM Ballroom on May 20th. For their junior year Joe Snowdon was chosen as the UMOC candidate. Deidra Granados, junior vice-president, was their Spirit Sweetheart attendant. In addition five juniors were chosen for Valley's 77-78 Who's Who. They were Chris Branda, Vickie Diamond, Deidra Granados, Joe Snowdon, and Tom Griego.

Chris Branda led the Class of 79 for their last year at Valley after being elected senior class president. Deidra Granados was elected into office for the third year and served as vice-president while Frankie Baca was elected into the office of treasurer also for the third year in a row. Angela Garcia was secretary, Joanne Snowdon was student council representative, and Vera Ann Romero served as class historian. As seniors the class of 79 showed more spirit and pride in Valley than ever before. They won their class competition for Halloween where paper pumpkins were sold and displayed in the cafeteria. They also won the Christmas chain class competition. For Christmas they sold ornaments, and set up and lit 8,000 luminaries on Christmas eve for one of the city tours. On May 31 the Class of 79 had the honor to be the 25th graduating class at Valley. Valley had been a school for 25 years, and had 4 members on the staff, Mrs. Martha Eubank, Mrs. Marie Hayes, Mr. Ed Dinello, and Mr. Ben Sandoval, to help them remember how Valley had been for the last 25 years.

Seniors cheer during class competition in a pep assembly.

Mrs. Hays Symbolizes Viking

The 1979 Saga staff would like to especially recognize Mrs. Marie Hays in this 25th edition as she was considering retirement at the end of this year.

Mrs. Marie Hays has devoted twenty-five years of her life to Valley High School. Her teaching career started in 1936 at Albuquerque High School where she taught for five years. After an interim period to have her three sons, she started teaching at Valley when it opened in the fall of 1954. For five years she taught physical education and sponsored student council, spirit club, and square dancing club. In the fall of 1958 Mrs. Hays took the job of Activities Director. She has been doing this for twenty years and has become the model for all Albuquerque activities directors.

She spends endless hours of her time to see that Valley students have every opportunity to develop in extra curricular activities. She attends all sports events and is the epitome of "Valley Spirit."

For all Valley students past and present the Saga says "Thank you, Mrs. Hays," for all your work and inspiration.

Cathy),

I really don't know how to start this because I have so much to say. Well I guess I should start with what's behind us. We sure went through alot of hell this year, both emotionally and academically. Who would ever think that such a big fight would help so much in the end. Well at least its all over, and we are able to start over again. In one way it was such a grossyear, and yet at the same time are never to forget: Homecoming, football season, basketball season, baseball and track season, talking in S.S.R, Doug and David in English, Plummer's great class, elections and last but not least Prom! I feel confident now that we can handle all of our differences. Hey! We accomplished a great deal this year, we became closer, and got to go out with two of the most fantastic guys at Valley High School! And don't think all those Stater meetings this summer and great times at Pizza Place well have (especially you, TA) soon we'll be seniors and bye-bye (how sad) but its not over yet. But who knows someday we might all be Reunited!!!! Hey remember we may be able to listen to those sentimental songs in front of a blazing fire with a cup of hot chocolate and a bunch of wonderful memories and some beautiful times together and will have one another in the future just remember I'll always be there for you no matter what's bothering you. Stay yourself because as funny as it may sound I love you!!!!

Be happy!

Love
